### **MAY 1, Madison HS Auditorium**

**1:30: Pee Wees, Pre-Teens, Pre-Jrs, Madison MS**

**3:00: All Teams, including PW and MMS**

**6:00: Junior and Senior Teams**

Some last minute details and reminders:

- There is no charge for admission. There are currently no capacity restrictions at Madison High School.
- **Show Order** (attached). NOTE: With so many double dancers, both boys and girls, it is impossible to avoid quick-changes, and some back-to-backs (I've attached my doubles worksheet for your entertainment). If you/your dancer is on more than one team, please print the schedule and map out their costumes. Boys should layer their shirts when possible. Back-to-back changes will be done in the wings or in the small off-stage room. There isn't time to go to the changing rooms.
- **Pre-Show:** There will be a pre-show before the 3:00 and 6:00 concerts. Cabaret solos being at 30 minutes before, and then Graduating Senior recognitions begin at 2:40/5:45. Coach appreciation will be following the Sr honors at 2:50.
- **Costumes** Dancers should bring all their normal dance gear, including white shirts, black pants, black socks (not no-shows), etc. Girls must wear a nude leo under their costumes, and boys must wear biker shorts under their costumes.
- **Help needed:** Please click here if you are willing to help: [Concert Help](#)
- **Coach Appreciation:** If any dancers want to give their coach a gift or card - this needs to be done before the 3:00 show. They should line up on the right-side ramp if they want to give something to their coach.
- **Scholarships:** The "Spirit of IBA" Scholarships will be presented following the 3:00 show.
- **Girls hair & make-up:** Girls need to arrive with their hair and make-up ready. All girls with IBA Bun and full team make-up (Pre's - no fake lashes).  
*SENIOR TEAM GIRLS* who are going to Prom: You do not have to do a complete helmet head with gel if you do not think you will be able to wash it out in time for Prom. Please do as tight of a slick as you can with water and hair spray. If you want to leave before the finale of the 6:00 show (right after your last routine), that is okay. That will give you another 15-20 min.
- **Boys hair:** Boys hair should be neatly combed and gelled or sprayed.
- **Changing Rooms:**  
Boys: Band Room  
Girls: Orchestra Room  
Gold & Comp Teams: Green Room
- **Live Stream:** We are planning to broadcast either via Facebook Live or Zoom. Watch for info later today about that.
- **Video:** The concert video will be on the IBA youtube channel, and will have a link on the website. We'll send a link out when that is edited and ready.
